P.O. Box 1450

Alexandria, VA 22313-1450

Dear Sir:

In an action mailed August 8, 2006, the Examiner required restriction of prosecution to one of the following species:

- | | |
|-----------|--|
| Species A | Claims 1-27 and 33-37, drawn to a method of producing a food product wherein a protein source is added to water; and |
| Species B | Claims 28-32, drawn to a method of producing a food product wherein a protein source is added to fat. |

In response, Applicants elect, without traverse, to proceed with examination on the merits of Species A, drawn to a method of producing a food product wherein protein source is added to water. Claims 1-27 and 33-37 are readable thereon.
